**Subject: REACH Compliance**

---

ALMECO S.p.A declares that none of its products contains substances included in the Candidate List of substances SVHC (Substances of Very High Concern), updated to 27.6.2018 or inserted in Annex XIV of Regulation n.1907 / 2006.

It also agrees that there will be no availability problems with regard to the substances and materials supplied, in relation to the fulfilments required by the REACH regulation.

For any clarifications we are at your disposal.

Best regards,

  
Giovanni Caselli  
Operations Director
